Anyone going without hotel booked yet, I'm up for donating all my Marriott rewards to cover free hotel nights. I don't have that many but could prob cover 3-4 hotel rooms for a night or two. DM me. Anyone that can't go, do your best to cover travel/hotels for those that will be there. We all need to do our part. The time is now.

Hijacking to say you can fly to the states without issue, but upon return need to "quarantine" for 14 days.

11 ▼ This isn't quite accurate. You can fly over the border no problem. There are no restrictions entering the US. However, upon return, you have to isolate for 14 days (self enforced). The land crossings are however closed for non "essential" travel. Because the virus only travels by car.

▼ Just a heads up - they shut down many metro lines during Trumps inauguration because of pussy hat protestors. The police refused to act. Don't think it takes much pressure from the left for that to happen again. They cave as soon as a handful of them show up. Have a contingency plan.

Fuck all of you! I'm deployed and can't get to DC to support my President/GEOTUS.

HE LITERALLY JUST ASKED ALL OF US TO COME TO HIM.

Please go and do whatever you can to help the only man to stand up to the swamp.

Even if you are on the fence or have given up, think about all of our military members overseas who have been watching the BLM/Antifa gay-bois burn the same country they swore to defend, who would give anything to be in DC in January.

If Trump was going to throw in the towel, he would have done it already. There is no world where that man would put our country through all this if he didn't intend to see it through.

GEOTUS and his legal team aren't giving up. Even with the world against them. Why the fuck are you?

Maybe you shouldn't go to DC. I'd feel safer with a patriot beside me than a coward and a quitter.

7 it's not yet clear to me what we are supposed to accomplish with this gathering. Seize the government by force? Start shooting? Beat the shit out of any antifarts? Or is this just to be a show of support for President Trump?

So far, all I've seen is a lot of "*Hoo-ee, we're gonna give them commies an ass-whuppin', so bring your guns*" talk. Naturally, I support the spirit, but in practical terms, I'm not really getting what the President is expecting from us.

17 I'm wondering if he has some pieces of irrefutable evidence, like recordings of people plotting the steal, that will be played in Congress on the 6th. Then they would not have any choice (I would hope) but to accept that the election was a complete sham, decide accordingly, and this "protest" will turn into one big celebration. Most likely wishful thinking, but I can't help but think he's got something up his sleeve here. I can't see him calling his patriots to DC if he expected to lose

4 Where does John Roberts live? Could be a nice little "gathering" there.

3 “ I'm wondering if he has some pieces of irrefutable evidence, like recordings of people plotting the steal,

If he does, he should be using them *now* and invoking the Insurrection Act, not saving them till the last minute.

▼ I wasn't asking whether I had Free Will or not. I'm asking what *President Trump* expects this gathering in DC to achieve.

▼ I think until the next, say, ten days play out, it's impossible for us to know. But once it gets close to the day, you're just going to have to decide for yourself. You'll be in as good a position as anyone to know what he needs by then.

▼ Armed folks need to be very ANONYMOUS! Generic camo, face and eyes completely covered. No patches or other bullshit that can ID you. There will be cameras on everyone with Face ID. There will also be UC's in the crowd watching, photographing and trying to ID people. Keep this in mind. Antifa knew this and even many of them have been caught.

4 Don't expect the police to protect you. That's the most important thing. That and black people will possibly attack you on the metro asking for reparations if you remotely look conservative.

Where are you coming from? I'm coming from north of Baltimore. I will stop somewhere in VA or MD and take the metro most likely, but would rather park closer so I could stay later than the metro stays open.
